

Built to Perform. Engineered to Endure.

FUSION | FLOOD LIGHTS

Power and 3CCT Selectable

120-347V Universal Driver

Built-in Photocell

3 Distribution Types

Take full control in the field with ease. Our integrated, user-friendly switches let you quickly adjust beam angle, power, photocell, and CCT to match any project's needs. No special tools or complicated setup required. Just simple, on-the-spot customization that saves time and maximizes flexibility.

FUSION FLOOD LIGHTS

Illuminate large outdoor areas including parking lots, building exteriors, sports fields, and more!

WHAT MAKES THE FUSION SERIES SO GREAT!

Effortlessly fine-tune lighting performance on-site with simple, built-in switches that let you modify beam angle, wattage, photocell, and CCT to meet the specific needs of any application.

Designed for quick, hassle-free adjustments without the need for special tools, it streamlines setup and enhances project flexibility. Available in sleek black or bronze finishes.

This versatile luminaire is perfect for illuminating large outdoor spaces like parking lots, building exteriors, sports fields, and more. It features a built-in photocell, three beam distribution types (5H5V, 6H6V, 7H6V), and is IK07 and IP65 rated for durability in tough environments. With multiple mounting options and optional pole accessories, installation is just as flexible as the performance.

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 20+ years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
