

Meet the Robust & Compact

LHB04

Linear High Bays

Power Selectable

Colour Selectable

0-10V Dimmable

Complete with 10' Cord Whip

The successor to our best-selling LHB03 Linear High Bays! Ideal for warehouses, factories, workshops, and more. Energy efficient replacement for traditional fluorescent fixtures and HID high bays

LHB04 LINEAR HIGH BAYS

Ideal for warehouses, factories, workshops, and more.

ALL THE FEATURES YOU WILL EVER NEED

Our new robust and compact linear high bay has die-cast aluminum housing and a polycarbonate lens that provides better protection than sheet metal frames used in traditional high bays.

This series has a standard 10ft cord whip, light weight body, smaller footprint than traditional high bays, and several mounting options; all of which make installation a breeze!

You can now connect the fixture to the correct voltage and adjust the wattage and colour temperature with ease. Take advantage of the 0-10V dimming to configure the luminaire to meet the needs of your project without needing to order specific options.

Rest assured that you can easily adjust the luminaire to meet your needs and preferences even after installation. Now that's peace of mind!

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
