Dear Valued Customers,

Our offices are not accepting visitors until further notice to support social distancing efforts, and based on recommendations from Health Canada, WHO, and the Canadian government.

For your convenience, the **CSC LED Online Distributor Portal [www.csc-led.com](http://www.csc-led.com) remains open** to provide you the most up-to-date inventory counts, tracking information, and quick and easy ordering.

To further reduce package handling and delays, CSC LED is ready to drop ship directly to our distributor's customers as requested to increase safety and efficiency. Our fulfillment centres are open and ready to serve you.

**Our shipping prepaid limit has been reduced to \*\$500 and our sales teams and customer support teams are available to answer any questions.**
