## ALL THE FEATURES YOU WILL EVER NEED

CSC LED ST Linear Strips are made from high quality materials and construction, and are easy to use and install, all at a great price point. Opt for the unique quick connect option for row mounting and increase the already outstanding value of this product.

The installation is **simple**. Once the cover is removed by depressing the button clips, the cover is captive to the base via aircraft cable eliminating the need to place the lens in a different location. Once the base is installed and the wiring complete, simply snap the cover back onto the base. No more removing end caps to remove the cover and replacing them to re-install the cover.

You can now connect the fixture to the correct voltage and colour temperature! 4ft and 8ft models are power selectable. With 0-10V dimming, take advantage the widest range of configurations, all without the need for ordering specific options.

# WHY CHOOSE US AS YOUR LIGHTING PARTNER

## SAFETY IN DECISION:

We began 18 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

## INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid\* shipping on most orders.

## TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

## WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

## 2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

\* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

## CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
