Stainless Steel Clips

NEMA 4X

Reliably illuminate even the toughest environments with this best-selling Vapour Tight series, rated IK10, IP66 or IP67, NEMA 4X, and NSF. Available in 2', 4', and 8' lengths with a one piece gear tray for quick and easy driver access.

VT VAPOUR TIGHTS

Ideal for parking garages, car washes, industrial applications, food processing plants, paint shops, and other harsh environments.

WHAT MAKES THE VT SO GREAT!

Our VT series Vapour Tights are made of high-quality materials and is easy-to-use and install, all at a great price. This series is packed with features and is NEMA 4X, IP66 or IP67, NSF, IK10, and DLC Premium. This fixture provides outstanding value for contractors.

The installation process is straightforward! First, remove the cover by disconnecting the stainless steel clips. The cover will remain attached to the base via a nylon cable. This ensures that the lens is always in the correct location. Once the base is installed and the wiring is complete, simply clip the cover back onto the base.

You can now connect the fixture to the correct voltage and adjust the wattage and colour temperature! With 0-10V dimming, take advantage the widest range of configurations, all without the need for ordering specific options.

WHY CHOOSE US AS YOUR LIGHTING PARTNER

SAFETY IN DECISION:

We began 20 years ago in 2005, and have been wholly committed to LED lighting ever since. If you ever have an issue with our products, rest assured we'll be there to help, and will never leave you hanging! We sell **ONLY** through channel (wholesale), never direct to the end user.

INVENTORY:

We have 3 fully loaded warehouses across Canada (ON, AB, BC). Everything at CSC LED is **QUICK SHIP!** In many cases, receive your order the next day. With an online account, view your NET cost and live inventory levels at the click of a button. A **2% discount** applies when you order online. We can ship to your branch or drop ship direct to your customer (no pricing shown on packing slips). \$250 Prepaid* shipping on most orders.

TECHNICAL SALES SUPPORT:

We have lighting specialists ready to assist with your selections, project designs, lighting calculations, and quotations. Our website has embedded lighting calculation tools as well as a rebate finder and ROI calculator. As always, CSC LED staff is ready to assist. **Lightning fast by industry standards!**

WEB & WEB SUPPORT:

If you haven't seen our web portal, prepare to be amazed! Easy to navigate, easy to order, and saves you time. Our IT team has also built an API that enables your website to pull our inventory data. If your website has the capability, our stock becomes your stock, on your website, without human intervention or input. This can also include automatic pricing with your built-in margin. Once again, saving you time and increasing your selling capabilities.

2 MOBILE SHOWROOMS:

We have 2 mobile showrooms available for your special events and joint contractor visits. These rolling beauties are powerful sales tools that go almost anywhere. Ask your local sales agent for more information.

* \$250 PPD shipping to all wholesale branches in Canada. Surcharge may apply for drop ship to remote locations.

CONTRACTOR REWARDS

Beginning October 1st, 2023, CSC LED launched its Contractor Rewards Program. Your contractors can now earn points that can be used towards gift cards and other cool rewards. Who doesn't like free stuff?
