## FOR IMMEDIATE RELEASE

### **CSC LED announces the appointment of Jennifer Eastman, LC as National Sales Manager**

CAMBRIDGE, Ontario, August 31, 2020 — CSC LED is happy to announce that Jennifer Eastman has joined their growing team as National Sales Manager.

Jennifer has an LC certification and a wealth of high-level, channel sales experience with esteemed manufacturers such as Legrand, RC Lighting, and Philips. Jennifer will be focused on building and maintaining CSC LED's strategic partnerships and she will play an integral role leading their team of sales agencies and reps across Canada.

**Jennifer Eastman, LC**  
National Sales Manager  
CSC LED

*"We are excited to have Jennifer join our amazing team of lighting professionals. We have spent the last two years upgrading our facilities and IT infrastructure. We have also increased our inventory levels and hired some great new talent. Jennifer is the final piece in the puzzle and we can now fully leverage what we have built. Jennifer's lighting experience, combined with a proven track record and great personality, make her a perfect fit, at just the right time."*

- Mark McNally, President CSC LED

Jennifer can be reached by telephone at 226-559-1592 or by email at [jeastman@csc-led.com](mailto:jeastman@csc-led.com)

CSC LED is a leading manufacturer of high quality, affordably priced, commercial and industrial LED lighting and has warehouses in both Cambridge, Ontario and Port Coquitlam, BC. CSC LED sells to the electrical wholesale market and does not sell direct to contractors/end users. CSC LED is known in the industry for their outstanding customer service, technical knowledge and support, and fast turn around times with free nationwide delivery to most branch/site locations.
